100+ Birds Fill Filling Station

By (student name) Associated Press

Countryside, England- Mr. Victor Hazell shooting party has been canceled due to pheasants. At least 120 birds (pheasants) flew to William's Filling Station. Sergeant Samways was helping with this incident while it happened. Mr. Hazell suspected it was the greatest poaching expedition ever. Mr. Hazell drove away with at least 15 birds in his car. The wonderful Rolls Royce had been demolished earlier by the pheasants.

"This seemed to be the hugest, funniest incident with Mr. Hazell ever!" said Sergeant Samways. "It was a hoot," commented 9-year-old Danny, William's son. According to Danny, "Dad was cracking up the moment Mr. Hazell away!" "The stupid rascals stole my birds! It is obvious!" As Mr. Hazell said this there is no proof. This was obviously a traffic stopper. This incident was quite an exciting one.

Doc Spencer was also a witness. He said, "The birds were smart! They knew today was the shooting party, so they flew here. When they flew away, they flew in the exact opposite direction of the wood! What geniuses!"

This was definitely a very exciting event. Mr. Hazell driving away with birds accompanying him, birds flying over to the filling station and more. Well, poachers watch out! Here comes Mr. Victor Hazell!

Will You Ever Poach?

Poaching should be allowed in this town. It is perfectly OK to poach if you do not take a lot of pheasants. You can poach from certain people like Mr. Victor Hazell because he is a snob. If you are starving, it makes perfect sense to poach. So poach from Mr. Victor Hazell if you have to!!

It is OK to poach if you only take one or two pheasants because Mr. Hazell can buy one or two more pheasants. It is nice to get the pheasants out of the wood before the shooting party so they do not get shot. Poaching provides food for the homeless. Roasted pheasant is quite a good meal and is delicious. Poaching should be allowed.

Poaching is illegal, but it is exciting. It is a huge game of hide and seek. It is fun to poach because you have to be really sneaky. You have to be talented to poach, so that makes poaching unique. You have to be skilled to do this activity. If you poach it is the best little, big game ever.

Roald Dahl Hits The Newbery

(5 out of 5 pheasants)

All 4th graders should read Danny the Champion of the World by Roald Dahl. It is a very exciting, edge of your seat story. The best part about this book is that it is readable for all ages. A really good part in Danny the Champion of the World is when Danny figures out is Dad's big secret. The whole book was a wonderful hit, and is sure to capture the Newbery Medal. Good job, Roald Dahl!!
